SUMMARY

I am Computer Engineering student pursuing Bachelor of Engineering (B.E.) from Government Engineering College (GEC), Bhavnagar, affiliated with Gujarat Technological University (GTU). Expected to complete graduation in 2027 with a current CPI of 7.36. Familiar with programming languages, web development, and basic software development concepts. Looking for opportunities to improve technical skills, gain practical experience, and contribute to meaningful projects.

CAREER OBJECTIVE

To start my career in the field of Computer Engineering where I can apply my technical knowledge and problem-solving skills. Looking forward to learning new technologies, gaining industry experience, and growing professionally while contributing to the organization's goals.
